Author Bio: Joshua Shaer grew up thinking that less was more. He tried to share that insight and passion for simplifying design with the '90s world of Web design. He survived a computer crash, two bum knees and having to let the record industry get away with ripping off his band's CD's. Joshua's freelance career began with clients ranging from Hewlett Packard to Disney. Since then he has worked at the World's Biggest Website, working for both the creative and business sides of the digital life of a designer. Now, Joshua is back doing stuff that gives his brain a little exercise.
